PRESS RELEASE: Tooele County Issues Statement Regarding Sale of Racetrack

Tooele County, UT – Tooele County Commissioners express their continued commitment to representing Tooele County residents and to sell the racetrack

“The past two years have been filled with uncertainty as we have fought to protect the interests of Tooele County residents. This action should allow the County to pursue our intentions of selling the racetrack and ensure economic stability within our community.

This was never a quick sale to put money in the County’s pocket, but about community members being able to keep their jobs and provide for their families. We are grateful to our constituents for putting their trust in us and sticking with us through this process.”
